

Crossing Paths is an interfaith program where our children learn about other faiths- what they have in common and what makes them unique. Sessions include discussion, exploration and a virtual visit and meeting with a religious leader.

Crossing Paths is not just an interfaith learning program; its ultimate goal is to help youth build and clarify their own UU identity through engagement with other faiths.

Crossing Paths Calendar 2020

October 4: Judaism

October 11: Judaism

October 18: Judaism

October 25: Judaism
